**ACTIVITIES:**

The 2017 LaFayette Cub Scout Day Camp is conducted under certified leadership that will offer to the community, a full week of an amazing variety of FUN activities. We are applying the Scout Law and Oath and its principles, and following the Boy Scouts of America standards. Our Day Camp offers a balanced program which combines lots of fun, learning skills, and the opportunity to start or continue some scouting advancements during the week.

Our vision is “have fun with a purpose” and our theme this year is “Find your imagination – Bug Hunters”, Where else can you get a lot of proteins from an edible bug? Right here at our Day Camp you will have the opportunity to try or see our bug gourmet provided by our 5 star Le Chef Piccolo. Have fun with our creative bugs and at the same time learn why they are so important in our environment.

We promise to engage each child with the incredible insect world (Entomology, the scientific study of insects) from different angles using several teaching skills thru art and games, STEM (Science, Technology, Engineering, and Math), swimming, Sports, BB and Archery ranges, special guests, and more. Our Day Camp staff will ensure you that our main goal is to educate young children have them to discover their talents, interest, values, and outdoor skills while having a lot of fun at the same time. In addition, we will introduce to our cub scouts the Nova award. By the end of the week, all participants will be able to identify at least 8 insects and their habitat.

**STAFF/ADULT/YOUTH VOLUNTEERS:**

Our staff consist of amazing Den Leaders, Adult volunteers, Boy Scouts, and crew members that make it possible to offer a quality summer program in a safe environment for the cub scouts and friends. In addition, we are pleased to have special guests in our program that are experts in a specific field, like an entomologist, that will share their knowledge with the children. If you are interest in become part of our staff/volunteers please let us know and contact Aixa Downing (910) 261-3440 or Carlos Tyson (910) 391-5458.

**DAY CAMP/ PIXIE CAMP:**

**DAY CAMP PROJECT:**

We have not forgotten about our commitment with our community, this year, LaFayette Day Camp project will be focus in helping the needy by conducting a Canned Food Drive. We are asking to the scouting community to donate canned food to support this noble cause. The Canned Food Drive will take place at District Roundtable Thursday 6 April'17, Thursday 04 May'17, and at the Day Camp Monday, 26 Jun'17.
